Heavenly homes in Spain, Australia and the English countryside

# The Art Edit...

**1. AMANDA HOUSTON** is a US based pastel and oil painter who is drawn to the moments when the light is most dramatic, often at the edges of our days. Skies are her favourite thing to paint, collected by hospitals, hotels, private clients and designers. Bringing uplifting and peaceful hope into people's lives through her art and global teaching is one of her biggest passions. Pictured is "Breaking Through" 36x48, pastel. Visit [www.amandahouston.com](http://www.amandahouston.com) or follow [@amandahoustonart](https://www.instagram.com/amandahoustonart) on Instagram, Facebook, Pinterest and LinkedIn. Email her directly at [amandahouston@me.com](mailto:amandahouston@me.com)

Facebook, Pinterest and LinkedIn. Email her directly at [amandahouston@me.com](mailto:amandahouston@me.com)

**2. DEBORAH HAMON** is an artist, adventurer, nature lover, trail runner, and mother. She was born in Australia and lives in the San Francisco Bay Area. Playing with mark making, pattern, and colour, her multi-layered acrylic paintings explore both abstraction and representation. Find out more at [www.deborahhamon.com](http://www.deborahhamon.com) or follow [@deborahhamon](https://www.instagram.com/deborahhamon) on Instagram.

**3. JENI CALVERT** is a British artist painting the contemporary sublime. Hijacking flowers as a muse she pursues a superficial beauty in an endangered world. "Without the emotion of the beautiful, the sublime, the mysterious, there is no art": John Burrows. To view the whole painting, head to House & Garden Shops Art or visit [www.jenicalvert.com](http://www.jenicalvert.com) and follow [@jenicalvertart](https://www.instagram.com/jenicalvertart) on Instagram.

**4. ANNABELLE GFELLER** is a figurative artist based in Sydney, Australia. Her beautiful paintings are a celebration of colour and the deep connection she feels to the natural world. Always with an eye for detail, her paintings reference her love of travel, interiors, fabrics, flora and fauna. To find out more, visit [www.annabellegfeller.com](http://www.annabellegfeller.com) or follow [@annabellegfellerart](https://www.instagram.com/annabellegfellerart) on Instagram.

**5. DAVID STARLYTE** is a South African-born spiritual artist, based in Australia. He immerses himself in the craft of each original healing work created to express his multidimensional feelings. Expressionistic colour and forms inspired by nature merge into an inspiring vision. For enquiries or commissions, email [davidstarlyte@gmail.com](mailto:davidstarlyte@gmail.com) visit [fineartamerica.com/profiles/david-starlyte](http://fineartamerica.com/profiles/david-starlyte) or follow [@davidstarlyte](https://www.instagram.com/davidstarlyte) on Instagram.

**6.** The vibrant, playful, and colourful work of **ARDEN ROSE** reflects her dreams of a world filled with delight, joy, and eye-popping colour. Rose draws inspiration from the expressionist movement, Modigliani and the awe-inspiring natural world. Her goal is to add beauty and inspiration to your life and surroundings through her impressionistic portraits, organic landscapes and bold florals. Visit [www.ardenroseart.com](http://www.ardenroseart.com) or follow [@ardenroseart](https://www.instagram.com/ardenroseart) on Instagram for more information.

**7. LUCY AND ROY HUGHES** present contemporary artworks both in collaboration and independently. Whilst Lucy's beaded artwork centres on stimulating the senses using rich textures and vivid colours, Roy's work focuses on the narrative of the piece and the emotive effect of his work. Pictured is "Paradise Remembered". Explore their original artworks and sculptural pieces online at [www.lucyandroy.art](http://www.lucyandroy.art) and on Saatchi and follow [@sci\\_arts\\_and\\_design](https://www.instagram.com/sci_arts_and_design) on Instagram or email [information@sciarts.co.uk](mailto:information@sciarts.co.uk)

**8. SUSAN LIZOTTE** is an LA based painter who mines history to emotionally render a poignant allegory for the present day. Her tertiary palette seems culled from another era, one of parchment and velvet, sea foam and starry skies. Visit [www.susanlizotte.com](http://www.susanlizotte.com) and follow [@susanlizotte](https://www.instagram.com/susanlizotte) on Instagram.

**9. ALMA TIPON**'s vibrant aerial perspectives evoke memories of being by the ocean and they create a focal point in any interior. Alma found a huge amount of inspiration from the coastal energy and the rustic environment of her tropical upbringing. Visit [www.almatipon.co.uk](http://www.almatipon.co.uk) and follow [@almatiponart](https://www.instagram.com/almatiponart) on Instagram.

**10. SOPHIE CROSSART** is a watercolour artist based in Germany whose work celebrates the beauty of nature. She combines the classical charm and countryside allure of botanical subjects with powerful modern compositions and a striking eye for detail. Visit [www.sophiecrossart.com](http://www.sophiecrossart.com) or follow [@sophiecrossart](https://www.instagram.com/sophiecrossart) on Instagram to find out more.

**11. NATALIE SAUNDERS** is an artist based out of Melbourne, Australia. Born and raised in West Yorkshire, UK – she is well-known for her work with acrylics and abstract creations. Drawing from her textile design background, she enjoys working with textures and bold colours. Discover more at [nataliesaundersartist.com](http://nataliesaundersartist.com) or Instagram [@natalie.saunders.artist](https://www.instagram.com/natalie.saunders.artist)

**12. CAOIMHE CALLAN** is based in Ireland. Her art, inspired by her natural surroundings, encompasses serene oils and watercolour paintings to vibrant acrylic and glass art. Visit [CaoimheCallanArt.ie](http://CaoimheCallanArt.ie) to view and purchase work online. Follow [@caoimhe\\_callan\\_art](https://www.instagram.com/caoimhe_callan_art) on Instagram.

**13.** Originally from South Africa, artist **JOHNCI** is based in Buckinghamshire. Her statement large abstract paintings are textured, vibrant and expressive and will liven up any interior space. She loves nature and recreating places she has a connection with on canvas or linoprints. Her style is versatile, contemporary and eclectic. Visit [www.johanci.com](http://www.johanci.com) follow [@johanci.art](https://www.instagram.com/johanci.art) on Instagram or contact her on [art@johanci.com](mailto:art@johanci.com)

**14. LAURA DIRK** is an abstract expressionist artist based in London, Ontario, Canada. Her style incorporates vivid line and colour to portray the energy of life. Using a combination of representational and abstract concepts Laura creates unique marks with a variety of tools. Visit [lauradirkartist.wordpress.com](http://lauradirkartist.wordpress.com) or follow [@lauradirkartist](https://www.instagram.com/lauradirkartist) on Instagram.

**15. KRISTEN TIRNEY** is a contemporary American artist known for her impasto technique. The majority of her paintings are created completely with the use of palette knives. She is recognised for her swirl series, textured floral work and serene abstract seascapes. Her original pieces seamlessly blend into contemporary and traditional design. Kristen has worked with many high profile clients and interior designers to create the perfect custom painting for her clients. Visit [www.kristentirneyart.com](http://www.kristentirneyart.com) and follow [@kristentirneyart](https://www.instagram.com/kristentirneyart) on Instagram.

**16. JAMES DECENT** is an impressionist contemporary artist and architect based in south west London. His paintings capture "the moment" of scenes and landscapes, expressing the energy of shifting colours and light. His work embodies a timeless quality in traditional oil and gouache paint while reflecting the vibrancy of contemporary life in everyday scenes. Visit [www.jamesdecent.co.uk](http://www.jamesdecent.co.uk) email [jdecentart@gmail.com](mailto:jdecentart@gmail.com) and follow [@jdecentart](https://www.instagram.com/jdecentart) on Instagram.

**17. BASSÉ** is an anonymous abstract artist without a plan, who mostly works with ink on paper with some variations in medium. Their only prep is to decide a colour at that moment. When asked what their abstract works are portraying, Bassé replies, "The beauty of abstract art is the fact you can interpret it how you like, if I take that away from the viewer, then what would be the point?". Visit [www.basseart.com](http://www.basseart.com) and follow [@basseartist](https://www.instagram.com/basseartist) on Instagram.
